Hey Jamie, it's Elliot X from X. We sat down well almost a month ago at your office in Santa Monica with Will X and our CTO Bryan X. We're making a lot of progress on our collections front but I wanted to run a few things by you when you have the opportunity. Give me a call. 61X-97X-823X. I just wanted to see if you made any progress with X. So again, give me a call. 61X-97X-823X. It's Elliot X. Thanks
